FLORIDA STATE AMENDMENTS

AMENDMENT 1

No. 1 Constitutional Amendment Article III, Section 19 Budget Stabilization Fund

Strengthens Florida's rainy-day fund by raising the constitutional cap on the Budget Stabilization Fund from 10% to 25% of new general revenue, helping the states stay prepared for storms, emergencies, and economic downturns without raising taxes.

AMENDMENT 2

No. 2 Constitutional Amendment Article VII, Section 3; Article XII Exemption of Tangible Personal Property Tax on Agricultural Land from Taxation

Exempts farm equipment and other tangible personal property used on agricultural land from property taxes, ending the double tax on both land and tools so Florida farmers and ranchers can keep more of what they earn.

AMENDMENT 3

No. 3 Constitutional Amendment Article VII, Section 4, 6 and 9; Article XII Increase in Homestead Exemption; Lower Cap on Increases in Non-Homestead Property Assessments

Delivers meaningful property-tax relief to homestead homeowners by increasing the non-school homestead exemption up to \$150,000 in 2027 and \$250,000 in 2028, while lowering the annual assessment cap on non-homestead property from 10% to 5%.
